- (f) LEAD-BASED PAINT: If Property includes pre-1978 residential housing, a lead-based paint disclosure is mandatory.
- (g) HOMEOWNERS' ASSOCIATION/COMMUNITY DISCLOSURE: BUYER SHOULD NOT EXECUTE THIS CONTRACT UNTIL BUYER HAS RECEIVED AND READ THE HOMEOWNERS' ASSOCIATION/COMMUNITY DISCLOSURE, IF APPLICABLE.
- (h) PROPERTY TAX DISCLOSURE SUMMARY: BUYER SHOULD NOT RELY ON THE SELLER'S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT THE BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR INFORMATION.
- (i) FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT ("FIRPTA"): Seller shall inform Buyer in writing if Seller is a "foreign person" as defined by the Foreign Investment in Real Property Tax Act ("FIRPTA"). Buyer and Seller shall comply with FIRPTA, which may require Seller to provide additional cash at Closing. If Seller is not a "foreign person", Seller can provide Buyer, at or prior to Closing, a certification of non-foreign status, under penalties of perjury, to inform Buyer and Closing Agent that no withholding is required. See STANDARD V for further information pertaining to FIRPTA. Buyer and Seller are advised to seek legal counsel and tax advice regarding their respective rights, obligations, reporting and withholding requirements pursuant to FIRPTA.
- (j) SELLER DISCLOSURE: Seller knows of no facts materially affecting the value of the Real Property which are not readily observable and which have not been disclosed to Buyer. Except as provided for in the preceding sentence, Seller extends and intends no warranty and makes no representation of any type, either express or implied, as to the physical condition or history of the Property. Except as otherwise disclosed in writing Seller has received no written or verbal notice from any governmental entity or agency as to a currently uncorrected building, environmental or safety code violation.

PROPERTY MAINTENANCE, CONDITION, INSPECTIONS AND EXAMINATIONS

11. PROPERTY MAINTENANCE: Except for ordinary wear and tear and Casualty Loss, Seller shall maintain the Property, including, but not limited to, lawn, shrubbery, and pool, in the condition existing as of Effective Date ("AS IS Maintenance Requirement").

- (a) PROPERTY INSPECTIONS AND RIGHT TO CANCEL: Buyer shall have _____ (if left blank, then 15) days after Effective Date ("Inspection Period") within which to have such inspections of the Property performed as Buyer shall desire during the Inspection Period. If Buyer determines, in Buyer's sole discretion, that the Property is not acceptable to Buyer, Buyer may terminate this Contract by delivering written notice of such election to Seller prior to expiration of Inspection Period. If Buyer timely terminates this Contract, the Deposit paid shall be returned to Buyer, thereupon, Buyer and Seller shall be released of all further obligations under this Contract; however, Buyer shall be responsible for prompt payment for such inspections, for repair of damage to, and restoration of, the Property resulting from such inspections, and shall provide Seller with paid receipts for all work done on the Property (the preceding provision shall survive termination of this Contract). Unless Buyer exercises the right to terminate granted herein, Buyer accepts the physical condition of the Property and any violation of governmental, building, environmental, and safety codes, restrictions, or requirements, but subject to Seller's continuing AS IS Maintenance Requirement, and Buyer shall be responsible for any and all repairs and improvements required by Buyer's lender.
- (b) WALK-THROUGH INSPECTION/RE-INSPECTION: On the day prior to Closing Date, or on Closing Date prior to time of Closing, as specified by Buyer, Buyer or Buyer's representative may perform a walk-through (and follow-up walk-through, if necessary) inspection of the Property solely to confirm that all items of Personal Property are on the Property and to verify that Seller has maintained the Property as required by the AS IS Maintenance Requirement and has met all other contractual obligations.
- (c) SELLER ASSISTANCE AND COOPERATION IN CLOSE-OUT OF BUILDING PERMITS: If Buyer's inspection of the Property identifies open or needed building permits, then Seller shall promptly deliver to Buyer all plans, written documentation or other information in Seller's possession, knowledge, or control relating to improvements to the Property which are the subject of such open or needed Permits, and shall promptly cooperate in good faith with Buyer's efforts to obtain estimates of repairs or other work necessary to resolve such Permit issues. Seller's obligation to cooperate shall include Seller's execution of necessary authorizations,

- consents, or other documents necessary for Buyer to conduct inspections and have estimates of such repairs or work prepared, but in fulfilling such obligation, Seller shall not be required to expend, or become obligated to expend, any money.
- (d) ASSIGNMENT OF REPAIR AND TREATMENT CONTRACTS AND WARRANTIES: At Buyer's option and cost, Seller will, at Closing, assign all assignable repair, treatment and maintenance contracts and warranties to Buyer.

ESCROW AGENT AND BROKER

- 13. ESCROW AGENT: Any Closing Agent or Escrow Agent (collectively "Agent") receiving the Deposit, other funds and other items is authorized, and agrees by acceptance of them, to deposit them promptly, hold same in escrow within the State of Florida and, subject to COLLECTION, disburse them in accordance with terms and conditions of this Contract. Failure of funds to become COLLECTED shall not excuse Buyer's performance. When conflicting demands for the Deposit are received, or Agent has a good faith doubt as to entitlement to the Deposit, Agent may take such actions permitted by this Paragraph 13, as Agent deems advisable. If in doubt as to Agent's duties or liabilities under this Contract, Agent may, at Agent's option, continue to hold the subject matter of the escrow until the parties agree to its disbursement or until a final judgment of a court of competent jurisdiction shall determine the rights of the parties, or Agent may deposit same with the clerk of the circuit court having jurisdiction of the dispute. An attorney who represents a party and also acts as Agent may represent such party in such action. Upon notifying all parties concerned of such action, all liability on the part of Agent shall fully terminate, except to the extent of accounting for any items previously delivered out of escrow. If a licensed real estate broker, Agent will comply with provisions of Chapter 475, F.S., as amended and FREC rules to timely resolve escrow disputes through mediation, arbitration, interpleader or an escrow disbursement order.
 - In any proceeding between Buyer and Seller wherein Agent is made a party because of acting as Agent hereunder, or in any proceeding where Agent interpleads the subject matter of the escrow, Agent shall recover reasonable attorney's fees and costs incurred, to be paid pursuant to court order out of the escrowed funds or equivalent. Agent shall not be liable to any party or person for mis-delivery of any escrowed items, unless such mis-delivery is due to Agent's willful breach of this Contract or Agent's gross negligence. This Paragraph 13 shall survive Closing or termination of this Contract.
- 14. PROFESSIONAL ADVICE: BROKER LIABILITY: Broker advises Buyer and Seller to verify Property condition, square footage, and all other facts and representations made pursuant to this Contract and to consult appropriate professionals for legal, tax, environmental, and other specialized advice concerning matters affecting the Property and the transaction contemplated by this Contract. Broker represents to Buyer that Broker does not reside on the Property and that all representations (oral, written or otherwise) by Broker are based on Seller representations or public records. BUYER AGREES TO RELY SOLELY ON SELLER, PROFESSIONAL INSPECTORS AND GOVERNMENTAL AGENCIES FOR VERIFICATION OF PROPERTY CONDITION, SQUARE FOOTAGE AND FACTS THAT MATERIALLY AFFECT PROPERTY VALUE AND NOT ON THE REPRESENTATIONS (ORAL, WRITTEN OR OTHERWISE) OF BROKER. Buyer and Seller (individually, the "Indemnifying Party") each individually indemnifies, holds harmless, and releases Broker and Broker's officers, directors, agents and employees from all liability for loss or damage, including all costs and expenses, and reasonable attorney's fees at all levels, suffered or incurred by Broker and Broker's officers, directors, agents and employees in connection with or arising from claims, demands or causes of action instituted by Buyer or Seller based on: (i) inaccuracy of information provided by the Indemnifying Party or from public records; (ii) Indemnifying Party's misstatement(s) or failure to perform contractual obligations: (iii) Broker's performance, at Indemnifying Party's request, of any task beyond the scope of services regulated by Chapter 475, F.S., as amended, including Broker's referral, recommendation or retention of any vendor for, or on behalf of, Indemnifying Party; (iv) products or services provided by any such vendor for, or on behalf of, Indemnifying Party; and (v) expenses incurred by any such vendor. Buyer and Seller each assumes full responsibility for selecting and compensating their respective vendors and paying their other costs under this Contract whether or not this transaction closes. This Paragraph 14 will not relieve Broker of statutory obligations under Chapter 475, F.S., as amended. For purposes of this Paragraph 14, Broker will be treated as a party to this Contract. This Paragraph 14 shall survive Closing or termination of this Contract.

DEFAULT AND DISPUTE RESOLUTION

15. DEFAULT:

(a) BUYER DEFAULT: If Buyer fails, neglects or refuses to perform Buyer's obligations under this Contract, including payment of the Deposit, within the time(s) specified, Seller may elect to recover and retain the Deposit for the account of Seller as agreed upon liquidated damages, consideration for execution of this Contract, and in full settlement of any claims, whereupon Buyer and Seller shall be relieved from all further obligations under

- this Contract, or Seller, at Seller's option, may, pursuant to Paragraph 16, proceed in equity to enforce Seller's rights under this Contract. The portion of the Deposit, if any, paid to Listing Broker upon default by Buyer, shall be split equally between Listing Broker and Cooperating Broker; provided however, Cooperating Broker's share shall not be greater than the commission amount Listing Broker had agreed to pay to Cooperating Broker.
- (b) SELLER DEFAULT: If for any reason other than failure of Seller to make Seller's title marketable after reasonable diligent effort, Seller fails, neglects or refuses to perform Seller's obligations under this Contract, Buyer may elect to receive return of Buyer's Deposit without thereby waiving any action for damages resulting from Seller's breach, and, pursuant to Paragraph 16, may seek to recover such damages or seek specific performance.

This Paragraph 15 shall survive Closing or termination of this Contract.

- 16. DISPUTE RESOLUTION: Unresolved controversies, claims and other matters in question between Buyer and Seller arising out of, or relating to, this Contract or its breach, enforcement or interpretation ("Dispute") will be settled as follows:
 - (a) Buyer and Seller will have 10 days after the date conflicting demands for the Deposit are made to attempt to resolve such Dispute, failing which, Buyer and Seller shall submit such Dispute to mediation under Paragraph 16(b).
 - (b) Buyer and Seller shall attempt to settle Disputes in an amicable manner through mediation pursuant to Florida Rules for Certified and Court-Appointed Mediators and Chapter 44, F.S., as amended (the "Mediation Rules"). The mediator must be certified or must have experience in the real estate industry. Injunctive relief may be sought without first complying with this Paragraph 16(b). Disputes not settled pursuant to this Paragraph 16 may be resolved by instituting action in the appropriate court having jurisdiction of the matter. This Paragraph 16 shall survive Closing or termination of this Contract.
- 17. ATTORNEY'S FEES; COSTS: The parties will split equally any mediation fee incurred in any mediation permitted by this Contract, and each party will pay their own costs, expenses and fees, including attorney's fees, incurred in conducting the mediation. In any litigation permitted by this Contract, the prevailing party shall be entitled to recover from the non-prevailing party costs and fees, including reasonable attorney's fees, incurred in conducting the litigation. This Paragraph 17 shall survive Closing or termination of this Contract.

STANDARDS FOR REAL ESTATE TRANSACTIONS ("STANDARDS")

18. STANDARDS:

A. TITLE:

- (i) TITLE EVIDENCE; RESTRICTIONS; EASEMENTS; LIMITATIONS: Within the time period provided in Paragraph 9(c), the Title Commitment, with legible copies of instruments listed as exceptions attached thereto, shall be issued and delivered to Buyer. The Title Commitment shall set forth those matters to be discharged by Seller at or before Closing and shall provide that, upon recording of the deed to Buyer, an owner's policy of title insurance in the amount of the Purchase Price, shall be issued to Buyer insuring Buyer's marketable title to the Real Property, subject only to the following matters: (a) comprehensive land use plans, zoning, and other land use restrictions, prohibitions and requirements imposed by governmental authority; (b) restrictions and matters appearing on the Plat or otherwise common to the subdivision; (c) outstanding oil, gas and mineral rights of record without right of entry; (d) unplatted public utility easements of record (located contiguous to real property lines and not more than 10 feet in width as to rear or front lines and 7 1/2 feet in width as to side lines); (e) taxes for year of Closing and subsequent years; and (f) assumed mortgages and purchase money mortgages, if any (if additional items, attach addendum); provided, that, none prevent use of Property for RESIDENTIAL PURPOSES. If there exists at Closing any violation of items identified in (b) (f) above, then the same shall be deemed a title defect. Marketable title shall be determined according to applicable Title Standards adopted by authority of The Florida Bar and in accordance with law.
- (ii) TITLE EXAMINATION: Buyer shall have 5 days after receipt of Title Commitment to examine it and notify Seller in writing specifying defect(s), if any, that render title unmarketable. If Seller provides Title Commitment and it is delivered to Buyer less than 5 days prior to Closing Date, Buyer may extend Closing for up to 5 days after date of receipt to examine same in accordance with this STANDARD A. Seller shall have 30 days ("Cure Period") after receipt of Buyer's notice to take reasonable diligent efforts to remove defects. If Buyer fails to so notify Seller, Buyer shall be deemed to have accepted title as it then is. If Seller cures defects within Cure Period, Seller will deliver written notice to Buyer (with proof of cure acceptable to Buyer and Buyer's attorney) and the parties will close this Contract on Closing Date (or if Closing Date has passed, within 10 days after Buyer's receipt of Seller's notice). If Seller is unable to cure defects within Cure Period, then Buyer may, within 5 days after expiration of Cure Period,

deliver written notice to Seller: (a) extending Cure Period for a specified period not to exceed 120 days within which Seller shall continue to use reasonable diligent effort to remove or cure the defects ("Extended Cure Period"); or (b) electing to accept title with existing defects and close this Contract on Closing Date (or if Closing Date has passed, within the earlier of 10 days after end of Extended Cure Period or Buyer's receipt of Seller's notice), or (c) electing to terminate this Contract and receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. If after reasonable diligent effort, Seller is unable to timely cure defects, and Buyer does not waive the defects, this Contract shall terminate, and Buyer shall receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.

- **B. SURVEY:** If Survey discloses encroachments on the Real Property or that improvements located thereon encroach on setback lines, easements, or lands of others, or violate any restrictions, covenants, or applicable governmental regulations described in STANDARD A (i)(a), (b) or (d) above, Buyer shall deliver written notice of such matters, together with a copy of Survey, to Seller within 5 days after Buyer's receipt of Survey, but no later than Closing. If Buyer timely delivers such notice and Survey to Seller, such matters identified in the notice and Survey shall constitute a title defect, subject to cure obligations of STANDARD A above. If Seller has delivered a prior survey, Seller shall, at Buyer's request, execute an affidavit of "no change" to the Real Property since the preparation of such prior survey, to the extent the affirmations therein are true and correct.
- C. INGRESS AND EGRESS: Seller represents that there is ingress and egress to the Real Property and title to the Real Property is insurable in accordance with STANDARD A without exception for lack of legal right of access. D. LEASE INFORMATION: Seller shall, at least 10 days prior to Closing, furnish to Buyer estoppel letters from tenant(s)/occupant(s) specifying nature and duration of occupancy, rental rates, advanced rent and security deposits paid by tenant(s) or occupant(s)("Estoppel Letter(s)"). If Seller is unable to obtain such Estoppel Letter(s) the same information shall be furnished by Seller to Buyer within that time period in the form of a Seller's affidavit and Buyer may thereafter contact tenant(s) or occupant(s) to confirm such information. If Estoppel Letter(s) or Seller's affidavit, if any, differ materially from Seller's representations and lease(s) provided pursuant to Paragraph 6, or if tenant(s)/occupant(s) fail or refuse to confirm Seller's affidavit, Buyer may deliver written notice to Seller within 5 days after receipt of such information, but no later than 5 days prior to Closing Date, terminating this Contract and receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. Seller shall, at Closing, deliver and assign all leases to Buyer who shall assume Seller's obligations thereunder.
- **E. LIENS:** Seller shall furnish to Buyer at Closing an affidavit attesting (i) to the absence of any financing statement, claims of lien or potential lienors known to Seller and (ii) that there have been no improvements or repairs to the Real Property for 90 days immediately preceding Closing Date. If the Real Property has been improved or repaired within that time, Seller shall deliver releases or waivers of construction liens executed by all general contractors, subcontractors, suppliers and materialmen in addition to Seller's lien affidavit setting forth names of all such general contractors, subcontractors, suppliers and materialmen, further affirming that all charges for improvements or repairs which could serve as a basis for a construction lien or a claim for damages have been paid or will be paid at Closing.
- F. TIME: Calendar days shall be used in computing time periods. Time is of the essence in this Contract. Other than time for acceptance and Effective Date as set forth in Paragraph 3, any time periods provided for or dates specified in this Contract, whether preprinted, handwritten, typewritten or inserted herein, which shall end or occur on a Saturday, Sunday, or a national legal holiday (see 5 U.S.C. 6103) shall extend to 5:00 p.m. (where the Property is located) of the next business day.
- **G. FORCE MAJEURE:** Buyer or Seller shall not be required to perform any obligation under this Contract or be liable to each other for damages so long as performance or non-performance of the obligation, or the availability of services, insurance or required approvals essential to Closing, is disrupted, delayed, caused or prevented by Force Majeure. "Force Majeure" means: hurricanes, floods, extreme weather, earthquakes, fire, or other acts of God, unusual transportation delays, or wars, insurrections, or acts of terrorism, which, by exercise of reasonable diligent effort, the non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended a reasonable time up to 7 days after the Force Majeure no longer prevents performance under this Contract, provided, however, if such Force Majeure continues to prevent performance under this Contract more than 30 days beyond Closing Date, then either party may terminate this Contract by delivering written notice to the other and the Deposit shall be refunded to Buyer, thereby releasing Buyer and Seller from all further obligations under this Contract.
- H. CONVEYANCE: Seller shall convey marketable title to the Real Property by statutory warranty, trustee's, personal representative's, or guardian's deed, as appropriate to the status of Seller, subject only to matters described in STANDARD A and those accepted by Buyer. Personal Property shall, at request of Buyer, be

transferred by absolute bill of sale with warranty of title, subject only to such matters as may be provided for in this Contract.

- I. CLOSING LOCATION; DOCUMENTS; AND PROCEDURE:
- (i) **LOCATION:** Closing will be conducted by the attorney or other closing agent ("Closing Agent") designated by the party paying for the owner's policy of title insurance and will take place in the county where the Real Property is located at the office of the Closing Agent, or at such other location agreed to by the parties. If there is no title insurance, Seller will designate Closing Agent. Closing may be conducted by mail, overnight courier, or electronic means.
- (ii) **CLOSING DOCUMENTS:** Seller shall at or prior to Closing, execute and deliver, as applicable, deed, bill of sale, certificate(s) of title or other documents necessary to transfer title to the Property, construction lien affidavit(s), owner's possession and no lien affidavit(s), and assignment(s) of leases. Seller shall provide Buyer with paid receipts for all work done on the Property pursuant to this Contract. Buyer shall furnish and pay for, as applicable, the survey, flood elevation certification, and documents required by Buyer's lender.
- (iii) FinCEN GTO NOTICE. If Closing Agent is required to comply with the U.S. Treasury Department's Financial Crimes Enforcement Network ("FinCEN") Geographic Targeting Orders ("GTOs"), then Buyer shall provide Closing Agent with the information related to Buyer and the transaction contemplated by this Contract that is required to complete IRS Form 8300, and Buyer consents to Closing Agent's collection and report of said information to IRS.
- (iv) **PROCEDURE:** The deed shall be recorded upon **COLLECTION** of all closing funds. If the Title Commitment provides insurance against adverse matters pursuant to Section 627.7841, F.S., as amended, the escrow closing procedure required by STANDARD J shall be waived, and Closing Agent shall, **subject to COLLECTION** of all **closing funds**, disburse at Closing the brokerage fees to Broker and the net sale proceeds to Seller.
- J. ESCROW CLOSING PROCEDURE: If Title Commitment issued pursuant to Paragraph 9(c) does not provide for insurance against adverse matters as permitted under Section 627.7841, F.S., as amended, the following escrow and closing procedures shall apply: (1) all Closing proceeds shall be held in escrow by the Closing Agent for a period of not more than 10 days after Closing; (2) if Seller's title is rendered unmarketable, through no fault of Buyer, Buyer shall, within the 10 day period, notify Seller in writing of the defect and Seller shall have 30 days from date of receipt of such notification to cure the defect; (3) if Seller fails to timely cure the defect, the Deposit and all Closing funds paid by Buyer shall, within 5 days after written demand by Buyer, be refunded to Buyer and, simultaneously with such repayment, Buyer shall return the Personal Property, vacate the Real Property and reconvey the Property to Seller by special warranty deed and bill of sale; and (4) if Buyer fails to make timely demand for refund of the Deposit, Buyer shall take title as is, waiving all rights against Seller as to any intervening defect except as may be available to Buyer by virtue of warranties contained in the deed or bill of sale.
- K. PRORATIONS; CREDITS: The following recurring items will be made current (if applicable) and prorated as of the day prior to Closing Date, or date of occupancy if occupancy occurs before Closing Date: real estate taxes (including special benefit tax assessments imposed by a CDD), interest, bonds, association fees, insurance, rents and other expenses of Property. Buyer shall have option of taking over existing policies of insurance, if assumable, in which event premiums shall be prorated. Cash at Closing shall be increased or decreased as may be required by prorations to be made through day prior to Closing. Advance rent and security deposits, if any, will be credited to Buyer. Escrow deposits held by Seller's mortgagee will be paid to Seller. Taxes shall be prorated based on current year's tax. If Closing occurs on a date when current year's millage is not fixed but current year's assessment is available, taxes will be prorated based upon such assessment and prior year's millage. If current year's assessment is not available, then taxes will be prorated on prior year's tax. If there are completed improvements on the Real Property by January 1st of year of Closing, which improvements were not in existence on January 1st of prior year, then taxes shall be prorated based upon prior year's millage and at an equitable assessment to be agreed upon between the parties, failing which, request shall be made to the County Property Appraiser for an informal assessment taking into account available exemptions. In all cases, due allowance shall be made for the maximum allowable discounts and applicable homestead and other exemptions. A tax proration based on an estimate shall, at either party's request, be readjusted upon receipt of current year's tax bill. This STANDARD K shall survive Closing.

cost to complete restoration (not to exceed 1.5% of Purchase Price) will be escrowed at Closing. If actual cost of restoration exceeds escrowed amount, Seller shall pay such actual costs (but, not in excess of 1.5% of Purchase Price). Any unused portion of escrowed amount shall be returned to Seller. If cost of restoration exceeds 1.5% of Purchase Price, Buyer shall elect to either take Property "as is" together with the 1.5%, or receive a refund of the Deposit thereby releasing Buyer and Seller from all further obligations under this Contract. Seller's sole obligation with respect to tree damage by casualty or other natural occurrence shall be cost of pruning or removal.

- N. 1031 EXCHANGE: If either Seller or Buyer wish to enter into a like-kind exchange (either simultaneously with Closing or deferred) under Section 1031 of the Internal Revenue Code ("Exchange"), the other party shall cooperate in all reasonable respects to effectuate the Exchange, including execution of documents; provided, however, cooperating party shall incur no liability or expense related to the Exchange, and Closing shall not be contingent upon, nor extended or delayed by, such Exchange.

No modification to or change in this Contract shall be valid or binding upon Buyer or Seller unless in writing and executed by the parties intended to be bound by it.
- Q. WAIVER: Failure of Buyer or Seller to insist on compliance with, or strict performance of, any provision of this Contract, or to take advantage of any right under this Contract, shall not constitute a waiver of other provisions or rights.

- (i) No withholding is required under Section 1445 of the Code if the Seller is not a "foreign person". Seller can provide proof of non-foreign status to Buyer by delivery of written certification signed under penalties of perjury, stating that Seller is not a foreign person and containing Seller's name, U.S. taxpayer identification number and home address (or office address, in the case of an entity), as provided for in 26 CFR 1.1445-2(b). Otherwise, Buyer shall withhold the applicable percentage of the amount realized by Seller on the transfer and timely remit said funds to the IRS.
- (ii) If Seller is a foreign person and has received a Withholding Certificate from the IRS which provides for reduced or eliminated withholding in this transaction and provides same to Buyer by Closing, then Buyer shall withhold the reduced sum required, if any, and timely remit said funds to the IRS.
- (iii) If prior to Closing Seller has submitted a completed application to the IRS for a Withholding Certificate and has provided to Buyer the notice required by 26 CFR 1.1445-1(c) (2)(i)(B) but no Withholding Certificate has been received as of Closing, Buyer shall, at Closing, withhold the applicable percentage of the amount realized by Seller on the transfer and, at Buyer's option, either (a) timely remit the withheld funds to the IRS or (b) place the funds in escrow, at Seller's expense, with an escrow agent selected by Buyer and pursuant to terms negotiated by the

- (iv) In the event the net proceeds due Seller are not sufficient to meet the withholding requirement(s) in this transaction, Seller shall deliver to Buyer, at Closing, the additional COLLECTED funds necessary to satisfy the applicable requirement and thereafter Buyer shall timely remit said funds to the IRS or escrow the funds for disbursement in accordance with the final determination of the IRS, as applicable.

Seller's Property Disclosure - Condominium

Notice to Licensee and Seller: Only the Seller should fill out this form.

Notice to Seller: Florida law1 requires a seller of a home to disclose to the buyer all known facts that materially affect the value of the property being sold and that are not readily observable or known by the buyer. This disclosure form is designed to help you comply with the law. However, this disclosure form may not address every significant issue that is unique to the Property. You should think about what you would want to know if you were buying the Property today; and if you need more space for additional information, comments, or explanations, check the Paragraph 9 checkbox and attach an addendum.

Notice to Buyer: The following representations are made by Seller and not by any real estate licensee. This disclosure is not a guaranty or warranty of any kind. It is not a substitute for any inspections, warranties, or professional advice you may wish to obtain. It is not a substitute for your own personal judgment and common sense. The following information is based only upon Seller's actual knowledge of the Property's condition. Sellers can disclose only what they actually know. Seller may not know about all material or significant items. You should have an independent, professional home inspection to verify the condition of the Property and determine the cost of repairs, if any. This disclosure is not a contract and is not intended to be a part of any contract for sale and purchase.

Florida law² entitles a prospective buyer, who has entered into a contract for the purchase of a condominium unit with a seller who is not a developer, at Seller's expense, to a current copy of the declaration of condominium, articles of incorporation of the association, bylaws and rules of the association, the most recent year-end financial information and the "Frequently Asked Questions and Answers" document, if buyer requests these in writing. These documents, and meeting agendas and minutes, contain important matters to be considered before acquiring a condominium unit, such as recurring dues or fees; special assessments; capital contributions, penalties; and alteration, leasing, parking, pet, resale, vehicle and other types of restrictions.

Except for information provided in paragraph 6, 7 and 8, the following information is only about the individual Unit specified below and not about any limited common element, any common element or the condominium association ("Association").
